

Autumn term 2017

We would like to welcome all new children to Park lane and welcome back all children who already know us. We have lots of fun things planned this term in all rooms, All about me books will be sent home in the first few weeks, can we ask all parents to fill in the first few pages of these with photographs from home or pictures they have taken or drawn and bring them back to nursery, these are a great communication tool and the children love looking at them with their key person and friends.

Outside in all weathers

Can we ask that you provide your child with a bag, a children's bottle, wellington boots and a rain coat so that we can enjoy the garden at all times.

Can you please label all your child's belongings.

T-shirts

We sell nursery t-shirts for £5 each in sizes

1-2 years

3-4 years

If you would like to purchase some please speak to Celia

Nursery Assistant

Paige Harrison

Ladybirds Baby Team

Room leader

Laurel Pepper

Nursery Officers

Emma Doubleday, Carly Robinson

Harrie Day, and Millie Ball

Nursery Assistants

Hollie Wright

Phoebe Copeman

EYlog

We hope that you have all managed to sign up to EYlog. EYlog is our online Learning Journey system. Where you can make comments on your child's observations, send your own observations to us and keep track of your child's progress at nursery. If you are having any problems with the app please speak to a senior member of staff who will be happy to help.

Please can we remind parents to stick to your allocated pick up and drop off times.

A note from your child's room

Ladybirds Baby Team

Welcome back to a new term. We have lots of fun activities planned this year. We will be helping the children to develop their senses by having a messy afternoon each week where the children will get to use their feet, hands, arms and legs to explore the different textures.

We will also be spending lots of time in our garden playing in the water and sand trays. Can we ask all parents to walk around bumble bees room and into the back door when dropping children off between 8.30am and 4.30pm. Children will be having small group communication time with their key worker each week to help them to develop their skills and learn new words/ sounds.

Dates for your Diary

Friday 22nd September

Jeans for Gene day.

13th-17th November

Cake sale and fancy dress for
Children in Need.

Parent Partnership

Thursday 19th October at 3pm

We would love for you to join us for
a fun filled messy afternoon.

2nd October

Grandparents and carers invited in
to celebrate grandparents day with
cakes and stories

Ofsted Report

As most of you will be aware we had an OFSTED inspector visit the setting on the 14th July. We are happy to tell you that we received GOOD in all areas of Provision. Some of the main outcomes were

- Children really enjoy the time at Nursery. They are engaged in a wide variety of activities that capture their interest and attention.
- Staff have a kind, caring and loving nature towards the children.
- Safeguarding is given a high priority and staff have a secure knowledge of how to protect children.
- We will be sending staff on more training in order to refine their communication techniques with the children to ensure that all children are developing their communication skills and can think more critically for themselves.

A note from your child's room

Busy Bees Pre school Team

We will be starting off our letters and sounds this term with the letters S, A and T. We will be having a variety of snacks that begin with these letters, and an interest table that we would love you to contribute to each week. The letter the children are working on will come home in your child's home book each time it changes.

We will also be looking at people who help us and stranger danger, this term and have a visit from some local people to help promote this.

We will be cooking with all children every other week. Making things like bread, fruit tarts, cakes and lots more. Look out for updates on our Facebook page.

Bumble Bees Toddler team

Bumble bees children have loved making Ice creams for the staff this summer so we will be turning the role play area into an ice cream shop to follow this interest on. We will also be sending home all about me balloons for you to fill in and return with your child. The children will also be den building and creating a fairy garden this term with Aimee and Ellie will be cooking with the children each week looking at food from around the world.
