

# summer term 2017

We will be hosting an open morning on June 3rd from 9.30 -12.30 at nursery. This will be a great chance to have a look around the nursery, and ask any questions you may have. We will have refreshments, face painting and some fun activities set up.

## Healthy eating

This term we have decided we will be promoting healthy eating more and therefore we have replaced our current menu's with much healthier alternatives to try and help all children to receive their 5 a day portion of fruit and vegetables. Please have a look on line or in your child's room for the new menu. We will no longer be offering puddings at tea time but instead will be offering a more nutritious tea with fruit and vegetable sticks. We hope you will support us with these changes.

Can we also ask that you fill your child's cup with water rather than juice. If your child does not like water speak to a member of staff who will be happy to help you with this.

We are really excited about the room changes that are

happening this term. We are creating a new room downstairs called Bumblebees. This room is for children who have recently turned 3. We also have lots of fun activities planned. Please look out for the room newsletters which will have more information on the activities planned this term.

## Staff changes

Sabrina has decided to step down as room leader. She will still be working at Park Lane as and when we need her but is taking the opportunity to follow another career path. We will miss her lots and wish her the best of luck with this.

Rosie will be taking on the role of room leader in ladybirds as well as being the baby specialist and we will be welcoming William to the team who is completing an Apprenticeship in childhood studies.

Carly will be working in ladybirds with Rosie and Emma.

Katie Heywood will be going on maternity leave at the beginning of May we are looking forward to meeting her baby girl.

Natalia will be moving into Bumble bees room to support the children who are transitioning into this room with Ellie, Millie and Katie McWeeney.

Michelle will be moving into Busy bees to work with the current busy bees team.

## Reminders

We would like to thank parents who have already labelled children's clothing and drink bottles clearly with their name. This is very helpful to us, particularly on busier days and when trying to reunite lost items with their owners. Can we ask that you provide your child with a sun hat.

## Parent questionnaires

I will be handing out parent questionnaires this term and would love your feedback. There will be a box in each room for you to put your completed forms in.

We value all your comments and feedback.
