

September 2016

Outside all weathers

So much learning takes place outside and the children love to be outside. we will be outside in all weathers so please provide your child with suitable clothing for the weather. we have space to keep wellies here if you would prefer to get some and leave them at nursery.

We would also kindly ask that parents provide a spare change of clothes for your child, and advise parents to bring your child to nursery in old/ play clothes. We operate a free choice system here at park lane as this allows the children to be curious and access all areas of learning. This means that your child may come home with paint on them from time to time and may need to get changed after a messy play activity as this is all part of their learning.

We have now got nursery t-shirts on sale if you would like one for your child please speak to a member of staff.

EY log

Please can parents have a look at their child's EYlog and send any reports back to us. We also value your comments and would love to hear your feedback on the observations you receive. Please let a member of staff know if you are having any problems logging into EYlog and we will get this sorted ASAP.

Staff changes

We are very pleased to let you all know that Lisa is doing well and has returned to work. She has taken on a new role as business manager and will be working across the two settings. If you have any questions with regards to your invoices and payments these will now be passed on to Lisa.

We are very happy to be welcoming Ellie Groom back from maternity leave who is joining Sabrina as room leader in ladybirds. Heather is also back after her foot operation and Natalia has also joined the Busy Bees team.

We have also said goodbye to Chelsea who has come to the end of her apprenticeship and has decided to take a position in administration working for the NHS. We wish her the best of luck with this.
